Delivering quality

The Spring introduction for 2016 underscores that which sets Decorá apart. Color—four new takes on neutral paint options refresh our Color Collections. Craftsmanship – three beautiful 9-piece styles showcase our meticulous attention to door building. Customization— exciting storage innovations and wireless lighting solutions help designs function as well as they fit and flatter.

OPTIONS

Quality construction is our hallmark, and three new 9-piece doors illustrate our continuous commitment to product excellence. Based on three beloved existing Decorá doors, our new Altmann, Atwater and Haskins offer an extra dose of style met with precise construction, thanks to applied moulding details.

haskins & altmann

Two new transitional styles with staying power. Consider pairing these doors with their stylistic counterpart— Harmony and Airedale – for added aesthetic interest. Based on the Artisan style, Atwater (not shown) provides a third attractive option. Available in Alder, Cherry, Hickory, Maple, Oak, Quartersawn Oak and Rustic Alder.

color refresh

Today's homeowners want versatile gray and tan-based neutrals to infuse their space with light and personality. Extra White, Agreeable Gray and Analytical Gray offer new choices within this spectrum, balanced by the addition of Black Fox—a complex, deep color that is easy to love and even easier to incorporate into designs. Available on Maple and Oak. Able to be layered with glazes and brushed finishes on Maple.

Agreeable Gray	Analytical Gray	Barley	Bee's Wax	Black Fox
Buff	Cargo	Chantille	Confection	Crushed Ice
Earth	Escape	Extra White	Foot Hills	Jasmine
Jet	Kashmir	Lunar	Mindful Gray	Mount Etna
Peppercorn	Pier	Retreat	Sandy Ridge	Stamped Concrete

01 TWO DRAWER BASE CABINET

Offered in widths ranging from 18" – 48", the new two drawer base cabinets offer the ultimate in storage flexibility. The 10" drawer box height stores everything from pots and pans to casserole dishes and small appliances with ease. Page J-10

turn the corner...

02 135° CORNER INSIDE ANGLE BASE CABINET

03 135° CORNER OUTSIDE ANGLE BASE CABINET

The 135° angle on these cabinets simplifies the creation of interesting transitions for the ends of a run, suits unique turns on intricate islands and peninsulas, and satisfies complicated applications required by today's more elaborate architecture. Page J-31

(NOT SHOWN) BASE CORNER CABINET WITH CURVED PULLOUT AND FULL HEIGHT DOOR

Those pesky kitchen corners – so much space, so little access. This cabinet – now available with a full height door option for tall storage needs – features two adjustable chrome and wood kidney-shaped shelves that swing out with QuietClose™ technology. Page J-21

...bring beautiful new solutions to light.

01 QUATTRO DIMMING RECEIVER AND WALL CONTROLLER

Compatible with all Sensio products, the new Quattro Dimming Receiver and Wall Controller (01) will allow dimmable cabinet lighting installation without installing hardwired switches. The wireless controller features a detachable face for easy, hand-held remote operation, and can control up to four lighting zones wirelessly within a single or multiple room design. Multiple switches allow for easy 2, 3 or 4 way control. Enjoy up to 100' of wireless operation - even through wall obstacles - for smooth dimming. Includes a low cost, long life lithium 3V battery that provides up to 10 years of operation. Page Q-17

These customized lighting solutions offer an easy way to take a design from ordinary to extraordinary. Warm or cool, well-placed lighting choices make food prep easier, highlight focal points in the room, and add an extra bit of drama. Because these solutions don't require hard wiring, they are also an easy post-sale add-on.

*Controller operates cabinetry lighting only.
